

## 2011 Match Play Challenge

The Western Golf Association has been presented with an exciting opportunity to raise additional operating funds for the Chick Evans Caddie Scholarships through a new, innovative Match Play Challenge.

This initiative is being launched in 2011 thanks to a small group of generous Match Play Partners, who are pledging to match all 2011 Par Club gifts of \$2,500 or greater.

Our Match Play Challenge goal is to generate \$3.6 million in operating funds – \$1.8 million in major Par Club gifts plus an additional \$1.8 million in matching funds from our Match Play Partners.

Most importantly – with demand for Evans Scholarships at an all-time high – the Match Play Challenge will build a solid base to ensure the stability and growth of the Evans Scholars Foundation in the years ahead. The ultimate objective is to send more caddies to college on Evans Scholarships.

### The Challenge will:

- Match all major Par Club gifts up to a total of \$1.8 million for total potential revenue of \$3.6 million.
- Position the program for future growth at a time when scholarship applications are at record levels.
- Generate a broad-based commitment to increased support of the nation's finest scholarship program.
