WGA Par Club

Funding College Educations for Deserving Caddies Since 1930

Each year, more than 37,000 generous golfers make a substantial investment in the youth of America by joining the WGA Par Club. The Par Club is the primary source of funding for the Evans Scholars Program, which annually provides college educations for more than 800 deserving young men and women caddies.

Evans Scholarships

- The nation's largest privately funded college scholarship program
- Golf's favorite charity with over 100,000 contributors
- Average grant valued at \$50,000 over four years
- Scholarship Houses at 14 universities
- Selection criteria: Academic achievement, financial need, excellent caddie record and good character
- Graduation rate of 90 percent
- Alumni contribute over \$3 million annually and over \$38 million cumulatively

The University of Colorado Chapter, founded in 1967, was the 10th chapter organized by the Evans Scholars Foundation.

Alumni: 374
2008 President: Kara Stephens
 Legacy Ridge GC
Advisor: John Krueger

University of Colorado

One year ago, the Colorado Evans Scholars set forth upon yet another academic conquest. For the sixth year in a row, we demonstrated our back-breaking work ethic by achieving a 3.0 House GPA or higher. Also this year, we were thankful to receive a New Scholar class of 13.

Throughout this past year, the Colorado Evans Scholars have been immersed in philanthropic endeavors, by providing an ice cream social at an assisted living community, participating in St. Baldrick's Day to benefit children with cancer, collecting non-perishables during the Trick-or-Treat street event and continuing our success in the National Blood Drive, collecting over 40 units.

It is easily seen that the Colorado Evans Scholars have not only embraced but lived the four pillars of the Scholarship. As the newly elected executive board begins their leadership roles, we hope to have an impactful future on the longstanding legacy of the Colorado Evans Scholars.

Thank you to everyone who supports and contributes to the Evans Scholar program for giving us the gift of a lifetime that will lead us into a future of untold possibilities.

Kara Stephens (Legacy Ridge GC)

Beverly honors Tom Gorman

Tom Gorman (left), caddie master at The Beverly Country Club, was honored by club members with an endowed named Evans Scholarship during the 2007 Beverly Country Club Evans Scholars Day. As caddie master the past 20 years, Gorman "has been and continues to be a role model, a leader, an inspiration, a confidant, friend and father figure to many," noted WGA Director Paul Sullivan, a Beverly member. Below, Evans Scholars who caddied at the event are escorted into the evening's dinner by a bagpiper. The event raised more than \$600,000 for the Evans Scholars Program. More on page 26.

The University of Illinois Chapter, founded in 1951, was the second chapter organized by the Evans Scholars Foundation.

Alumni: 1,000
2008 President: Daniel Berz
 Twin Orchard C.C.
Advisors: Wendy Evans
 Mark Stanley

University of Illinois

This past year saw much accomplished by the Evans Scholars at the University of Illinois. Being the largest chapter in the program with 102 members, it comes as no surprise that we had a tremendous year.

From an academic standpoint, we had a 3.23 GPA in spring 2007 and a 3.21 GPA in the fall, with six Scholars achieving 4.0's.

Our chapter stresses the need to benefit charity, and through our annual Dean Hatch Alumni Golf Outing, we made a sizable donation to the Champaign Boys and Girls Club. We also participated in a breast cancer walk, adopted a family during the Christmas season and hosted a holiday party for underprivileged children.

We stayed active in Greek philanthropy events and in campus intramurals. Our greatest triumph was winning the 16-inch softball tournament to continue our campus dominance of the sport.

I could not stand before you today and tell you about the great things our chapter has accomplished if it were not for all of you. We sincerely thank Mr. Moore, Mr. Harrison, Mr. Moses, and the rest of the Western Golf Association for their tireless efforts. In addition, we thank the WGA Directors, as they, along with the alumni, are the backbone of the program.

The Northern Illinois University Chapter, founded in 1987, was the 14th chapter organized by the Evans Scholars Foundation.

Alumni: 185
2008 President: Matthew Groch
 Rich Harvest Links GC
Advisor: Bert Simpson

Northern Illinois University

This past fall marked the 20th Anniversary of the Northern Illinois University Chapter. The idea of marking the occasion was conceived, nurtured, and successfully completed by the entire Chapter and countless Alumni. This event gave the chapter an excellent opportunity to bring together Alumni and to thank our supporters.

At NIU, we continue to do our part by keeping up an excellent tradition of motivating New Scholars to have full knowledge and appreciation of the history and values of the Evans Scholarship. Every NIU Evans Scholar, alum or active, can recite our creed. Looking at the caliber of men and women who make up our alumni, I have come to understand what it means to live by the Evans Scholar Creed as a guiding principle.

I would also like to give a sincere thank-you to our GRA, Cyril Embil, for his guidance. Thanks also goes to our faculty advisor, Bert Simpson, who continues to inspire in us ideals of community leadership, and to Mr. Robert Alsteen, Mr. Moore, Mr. Harrison, Mr. Moses, and the WGA Directors and staff who continue to support and nurture our successes.

The Northwestern University Evans Scholars Club was organized in 1933, and the first Chapter House opened in 1940.

Alumni: 621
2008 President: Patrick Rice
 Park Ridge CC
Advisor: Maureen Hartly

Northwestern University

This past year at Northwestern has been filled with a number of achievements. Our fall philanthropy raised more money than in any past year, with proceeds going to the Illinois Autism Society. Our House continues to improve year after year, creating leaders that will go on to better their communities after college. Our Scholars have become active in the University, founding clubs and performing in plays and a cappella groups. One has even become student body vice-president and looks to become president this coming year.

The most important change in the House has been the decision made by the WGA, and advocated by our House, to allow women to live with the rest of the Scholars. For too long, the Evans Scholarship has not had the same meaning for women as it has for the men because they have missed out on Group Living. The decision to renovate our House will provide this opportunity to all Northwestern Scholars, both male and female.

Thank you for making this vision a reality with your continued support of the renovations of our House.

Joe Shields (Old Elm Club)
 2007 President

Rolling Green Country Club hosted the 2007 Jeff Kallman Memorial Golf Outing in August. The event is held in memory of Jeff Kallman (Ill. '78), brother of WGA Director Dave Kallman (Ill. '73), above right with Jim Moore, WGA/ESF Senior Vice President, Foundation Advancement. The event raised more than \$11,000 for the Evans Scholars Program.

Meridian Hills Country Club in Indianapolis, Indiana, hosted the 20th annual Evans Scholars Alumni Classic in July 2007. Among the participants, above from left, were: WGA President & CEO Don Johnson, event co-organizer Vince Saul (Ind. '94) and WGA Director Wade Rademacher from Meridian Hills C.C. The event raised \$18,000 for the Evans Scholars.

Indiana University

It has truly been a privilege to lead the Indiana Chapter House for the past year, as there have been so many great events throughout that time. Academically, we obtained a House GPA average of 3.29. We had four Scholars receive a 4.0.

Our House also participated in several philanthropies that benefited the community. Our annual Caddie Day generated over \$3,000 for the local Stone Belt Arc charity. We facilitated a blood drive that generated almost 40 pints of blood and took part in an Adopt-a-Road event. Several Scholars participated in campus events.

The Indiana Chapter had the privilege of hosting the new President of the University, Michael McRobbie, for a special chapter event. It was a great way to get exposure for the Evans Scholars on campus. President McRobbie was very impressed with the Evans Scholars program.

Our Chapter has adjusted well to the addition of lady Scholars moving in this past year. It has improved the house camaraderie. Thank you again for making this scholarship possible for all of us current Evans Scholars.

Nicholas Hursh (Sycamore Hills GC)
2007 President

The Indiana University Chapter, founded in 1969, was the 12th chapter organized by the Evans Scholars Foundation.

Alumni: 498
2008 President: Karl Schaefer
Country Club of Buffalo
Advisor: Dick McCracken

The Purdue University Chapter, founded in 1967, was the ninth chapter organized by the Evans Scholars Foundation.

Alumni: 356
2008 President: Justin Medert
 Sycamore Hills GC
Advisor: Tom Templin

Purdue University

We have been working to make improvements across the board at the Purdue house. One of the most important goals we had was to make our New Scholar program better than it has been in the past. The success of the program is evident in the outstanding grades our New Scholars earned this semester. The program has become very thoughtful, deliberate, and purposeful, and I am confident it will grow beyond this year's success.

Another goal was to improve our philanthropy involvement. We had a very successful caddying fundraiser last fall. Our faculty advisor arranged for 25 Scholars to walk 18 holes with friends of his at a local club. The event raised \$1,000 for the Lafayette Boys and Girls Club, and our members matched that \$1,000 and donated it to the Lafayette Children and Family Resource Center.

One of the things I am most excited about is starting to maintain closer ties with our Alumni. We need to work to close the gaps between different Alum "eras," and we are excited to see how the techniques we discussed work.

It hasn't been an easy year, but it has been one of progress for the Purdue Scholars. I have been blessed to have a strong network of support, both in our house, at Purdue, and from the WGA.

Ben Hosinski (Ulen CC)
 2007 President

The University of Michigan Chapter, founded in 1952, was the third chapter organized by the Evans Scholars Foundation. The new Michigan Scholarship House was dedicated in September 2005.

Alumni: 652
2008 President: Matthew Way
Country Club of Jackson
Advisor: Paul Robinson

University of Michigan

The Michigan Evans Scholars Chapter had an exciting year with many great things happening. We are in the third year in the newly constructed facility, which feels like "home" for the Scholars who live there.

We ran many philanthropic events to benefit different entities. Senior Steve Doyle and Sophomore John Konen ran a successful 5K that raised over \$1,400 for the Ronald McDonald House of Ann Arbor. Other events include a "Chick" Evans Golf Day, Adopt-a-Family, Run to the Big House to raise money for MLS research and a Blood Drive for the American Red Cross.

We continue to maintain great Alumni relations. We held our annual Evans Scholar Career Night, an event that promotes professional development within the chapter by networking with Alumni. This year's keynote speaker was the former mayor of Detroit, Dennis Archer.

With all of these activities, we still have found time for our studies. During the winter term, we achieved a House GPA of 3.21. We activated 13 New Scholars this past semester. At the end of this year, we will be graduating 11 Scholars, including myself. I would like to thank you for this tremendous opportunity.

Forest Lake Hosts Hickory Stick Invitational

Participants donned turn-of-the-century clothing and played with genuine antique hickory stick clubs in the 10th annual Hickory Stick Invitational hosted in September 2007 at Forest Lake Country Club in Bloomfield Hills, Michigan. A bagpiper clad in plus-fours and tams led the 80 golfers onto the course. The Invitational, which raised more than \$17,000 for the Evans Scholars Foundation in 2007, was founded by a group of antique club collectors, including: Jim Gotts and Chuck Plein of Edgewood Country Club in Commerce Township, Michigan;

Bob Redisch of Prestwick Village Golf Club in Highland, Michigan; Bill Ward of Oakland Hills Country Club in Bloomfield Hills, Michigan; and Marty Gillespie, of Forest Lake Country Club. The event has raised more than \$78,000 for the Evans Scholars Program over the past 10 years. For information on the 11th annual Hickory Stick Invitational set for September, please contact Marty Gillespie at 1-248-669-2323, ext. 3307 or mgillespie@hansenmarketing.com. Extra hickory stick sets are available for those who do not own a set.

The Michigan State Chapter, founded in 1955, was the fifth chapter organized by the Evans Scholars Foundation.

Alumni: 708
2008 President: David Allen
 Grosse Ile G&CC
Advisor: Bill Wilkinson

Michigan State University

The Michigan State Chapter had an excellent year in 2007. We continued our philanthropic outreach to the East Lansing community, made numerous improvements to the Chapter House and focused on our academics.

Our philanthropy committee found new ways to reach out to the Michigan State Greek community and participated in numerous new events with our neighboring fraternities and sororities.

We continued to host the Lansing-area AIDS Network AIDS Walk and our Annual Blood Drive, which collected more than 70 pints of blood.

With the help of a large New Scholar class this past fall, our House is looking better than ever. During our annual visit from Mr. Moore, we renovated our study room and dedicated it the James Moore Study Room in honor of the years of service he has given the scholarship as Educational Director.

I would like to thank the WGA Directors, Alumni, Mr. Moore and Mr. Harison for their continued support of the organization and of Chick's dream.

Brendan Long (Dearborn CC)
 2007 President

University of Minnesota

Minnesota has had a great year. Our House won the 2007 Chapter Scholarship Trophy with a 3.41 GPA. We also won the New Scholar Trophy, as well as the Scholar of the Year Trophy (David Molitor, '07).

We welcomed 10 New Scholars this year. We now have just over 40 Scholars in the House, with eight of them being women.

Throughout the year, we volunteered our time or money with various organizations, including the American Red Cross, the YMCA, Centerplate and Feed My Starving Children. Most importantly, we spent time at the Annual Teacher's Conference, where we had a booth to tell people about the Evans Scholarship.

Our House participated in Intramurals, including basketball, softball and bowling, and we took House trips to Bessemer and Breezy Point.

We will graduate 10 Scholars in May with varied careers in the business, consulting and medical fields. A few have plans for graduate or law school, and one was married over Christmas break.

We had a strong fall semester and we don't plan on giving up the Grade Trophy anytime soon!

Joe Cockriel (Hillcrest GC)
2007 President

The University of Minnesota Chapter, founded in 1958, was the seventh chapter organized by the Evans Scholars Foundation.

Alumni: 553
2008 President: Zoe Ryan

Bellerive Country Club Evans Scholars Alumni, all graduates of the University of Missouri, returned to the club January 24 for the 2008 St. Louis Selection Meeting. Flanked by WGA Directors at Bellerive, Tim Crowley (left) and Chris Koemann (right), in the front row are (from left): Jean Gerber ('70) and Frank Roeder ('61). In back are (from left): Mark Talbott ('02), Dennis Kuhl ('76), Brian Lucas ('79), David McMullin ('05) and Ryan Kane (Mo. '00). Bellerive Country Club will host the 2008 BMW Championship September 1-7.

The University of Missouri Chapter, founded in 1968, was the 11th chapter organized by the Evans Scholars Foundation.

Alumni: 389
2008 President: John Daniels
 Algonquin GC
Advisor: John Keely

University of Missouri

On behalf of the 37 Missouri Evans Scholars, I would like to thank the Western Golf Association and the Evans Scholars Foundation for providing our excellent education at the University of Missouri and for the beautiful Scholarship House in which we live. Academically, we had an outstanding semester. Each class had one student with a 4.0 GPA, and the overall House GPA was 3.26.

The Missouri Chapter is heavily involved in the community. In April, we will host our annual charity golf tournament and will donate about \$2,000 to the Boys and Girls Club and a local homeless shelter. We have adopted a 2-mile stretch of highway that the House cleans twice a semester. We also have 10 Scholars involved in Big Brothers/Big Sisters.

Last semester, we renovated the House basement. The floor was refinished, the pool table was refurbished, and the walls were repainted. It has transitioned from a storage area to a recreational area that is in constant use. Again, I would like to thank the Western Golf Association and the Evans Scholars Foundation for providing this wonderful opportunity.

Michael Czech (Westwood CC)
 2007 President

2007 ROSTER

Country Club of Buffalo hosted an Evans Scholars Selection Meeting in 2007 for Alex Hyla (center), who was awarded an Evans Scholarship to the University of Michigan. Among those participating in the meeting were (from left): Jim Gallery, C.C. of Buffalo caddie superintendent; Jerry Grace, club president; Hyla; Steve Robshaw, the club's Evans Scholars representative; and Jay Sutherland, head professional. Hyla now is completing his freshman year at Michigan.

Ohio State University

It's an exciting time to be a part of the OSU Evans Chapter. Last spring, we held our 12th annual Stephanie Hummer Memorial Golf Tournament, which raised \$7,100 for off-campus security. Before this school year started, 10 Scholars, including myself, participated in the Chick Evans Pro-Am for the BMW Championship. While caddying alongside players like Tiger Woods, Zach Johnson and actor Morgan Freeman, we were able to support the Evans Scholarship and experience a once-in-a-lifetime opportunity.

Back in Columbus, we represented the current Ohio State Evans Scholars at the groundbreaking of our eagerly anticipated new house. Construction is underway and everyone involved is excited about the progress and possibilities the new house brings.

Another successful Hamilton Invitational was held where the Scholars helped in all areas, working to donate back \$1,100 of their hard-earned money. Among many activities, such as intramurals, Adopt-A-Street, and 23 New Scholars joining us, we finished the fall quarter with a House GPA of 3.35.

Justin Rex (Moraine CC)
 2007 President

The Ohio State University Chapter, founded in 1962, was the eighth chapter organized by the Evans Scholars Foundation.

Alumni: 677
2008 President: Kevin Nicholas
 Maketawah CC
Advisor: Don Denny

The Miami University Chapter, founded in 1974, was the 13th chapter organized by the Evans Scholars Foundation.

Alumni: 358
2008 President: Steven Wierzbicki
 Toledo CC
Advisor: Chuck Knepfle

Miami University

At the end of January, when the now outgoing executive board took over, things were rough. Our chapter was on probation with the university and House unity was lacking. The executive board took these obstacles not as hindrances, but as inspiration. As a group, we decided we could do better.

We revamped the New Scholar program. We added unity-centered events, such as tail-gates. A group of Scholars and their fathers spent a weekend landscaping and repainting the House's interior. In the fall, Dr. David Hodge, the president of Miami University, visited to speak about leadership.

We worked with the university to clean up the delapidated property behind our house. Our third annual pancake breakfast raised \$2,000 for Relay for Life and the Oxford Community Choice Pantry. We attained 100 percent New Scholar activation, which had not been accomplished here for quite some time. We also developed an Alumni mentoring program.

The Miami Chapter achieved a 3.33 House GPA in the fall. We worked together and had fun together, and most importantly, we learned from our mistakes and forged ahead.

The University of Wisconsin Chapter, founded in 1953, was the fourth chapter organized by the Evans Scholars Foundation.

Alumni: 819
2008 President: Anthony Wangelin
 Merrill Hills CC
Advisor: Al Crist

University of Wisconsin

One of my main reasons for running for President was to continue the positive changes initiated by our last president in terms of house involvement and attitude. Last spring, we successfully implemented our first Alumni-Scholar career fair in over 15 years. We also beat our blood drive target by 25 percent, collecting almost 60 units. Our "floating green" contest during all-campus celebration week raised awareness for our organization. Our annual philanthropy event raised over \$8,000 for five charities. This last semester, we expanded community involvement by building homes with Habitat for Humanity and ringing bells for the Salvation Army.

Aside from our community achievements, we initiated a program to observe Scholars on probation, which successfully helped all but one boost their GPA above a 2.5. Overall, our freshmen recorded a class GPA of 3.24 and our House achieved just under a 3.30 for last semester.

The other area of improvement I saw and tried to help cultivate was pride. Not only do I think pride in our scholarship has increased because of our accomplishments, but I believe it had to do with improvements to the aesthetics and habitability of our house. It is hard to tell if these accomplishments are a result of, or the cause of the current attitude at our house, but I don't think it matters as long as it continues.

Marquette University

The Marquette University Chapter, founded in 1955, was the sixth chapter organized by the Evans Scholars Foundation.

Alumni: 623
2008 President: Andrew Verchota
 McHenry CC
Advisor: Fr. John Naus

The Marquette Evans Scholars had another great year in Milwaukee, finishing with a cumulative 3.14 GPA for the year.

Our Scholars are always active in the community, volunteering for numerous philanthropy events, such as our Bowl-a-Thon, where we fundraised for Marquette's Relay for Life, which collected over \$50,000 for the American Cancer Society.

We also participated in Al's Run and raised nearly \$1,800 for Milwaukee-area children's hospitals. On Halloween, the New Scholars constructed a haunted house and hosted a holiday party for children from the Milwaukee Chinese Language School and a Big Brothers/Big Sisters program. Scholars also gathered and delivered food for the holiday to families in conjunction with Marquette University High School.

Our Chapter was also recognized as Volunteers of the Year by the Nehemiah House, a nonprofit youth organization for the Youth of Milwaukee. On campus, our own Fr. John Naus was awarded Marquette's "Faculty Advisor of the Year."

We would like to thank Western Golf Association's directors and staff, as well as all the program's supporters, who make these opportunities possible for us. Your continued dedication and service keep Chick's dream alive and inspire us, as Scholars, to do the same.

Cara Gorman (River Forest CC)
 2007 Executive Vice President

Evans Scholars Foundation
Golf, Illinois 60029

Charles "Chick" Evans Jr.

1890-1979
Founder,
Evans Scholarships

THE LEGACY

Chicago golf great Charles "Chick" Evans Jr. insisted on retaining his amateur status and decided to give back by establishing a scholarship fund for deserving caddies.

Since then, Chick's legacy has lived on through the more than 8,590 young men and women who have graduated from college as Chick Evans Scholars.

WHO MAKES IT POSSIBLE:

The heart and soul of the program continues to be the generosity of thousands of golfers who annually contribute to the WGA Par Club. Funds also come from the WGA Bag Tag program, Alumni, the BMW Championship and other contributions.
