Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Evans Scholars Foundation (ESF) and Western Golf Association (WGA), which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Trustees and Board of Governors
Evans Scholars Foundation and
Western Golf Association

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of ESF and WGA as of December 31, 2016 and 2015, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidated statements of financial position summarized by fund, consolidated statements of activities summarized by fund, schedules of tournament revenue and expenses, schedule of functional expenses, schedule of property, buildings, and equipment, and statements of changes in net assets are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Evans Scholars Foundation (ESF) is a charitable trust created to receive and use the net income and principal of the trust estate in order to provide scholarships and other educational opportunities for caddies. Western Golf Association (WGA) was formed to promote and supervise any and all matters and activities pertaining to or for the benefit of caddies, to promote and provide means and facilities for the education of caddies, and to generally promote the interests of golf. WGA annually sponsors the BMW Championship. WGA is affiliated with ESF by management agreement and in practice, acts as the administrator of ESF.

ESF is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and is also exempt from state income taxes. In addition, ESF qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(1). WGA is exempt from federal income taxes under Section 501(c)(4) of the IRC, and is also exempt from state income taxes.

The federal and state tax returns of ESF and WGA for 2013, 2014, and 2015 are subject to examination by the Internal Revenue Service (IRS) and state taxing authorities, generally for three years after they were filed. ESF and WGA have determined that it is not necessary to record a liability for uncertain tax positions as of December 31, 2016.

ESF's and WGA's fiscal year ends on December 31. Significant accounting policies followed by ESF and WGA (hereinafter referred to as the Organization) are presented below.

Use of Estimates in Preparing Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Consolidated Financial Statement Presentation

The accompanying consolidated financial statements include the accounts of ESF and WGA. All significant transactions between ESF and WGA have been eliminated in consolidation. Consolidated financial statement presentation follows accounting principles generally accepted in the United States of America for nonprofit organizations which require the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Basis of Accounting

The consolidated financial statements have been prepared using the accrual basis of accounting.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Public Support and Revenue

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions other than cash are recorded at estimated fair value.

Public support and revenue are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Gains and losses on investments are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or law. When a restriction expires or has been met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as "Net Assets Released from Restriction."

Public support and revenue principally consist of the following:

Par Club, Bag Tag, and Special Contributions

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Special contributions consist of event revenues, endowment contributions, nonrecurring bequests, legacies, and other contributions from donors.

Special contribution revenue consisted of the following at December 31:

	2016	2015
Events	\$ 1,680,460	\$ 1,278,356
Endowment Contributions	2,421,804	3,761,484
Legacies and Bequests	407,993	313,808
Other	862,218	1,589,766
Total	<u>\$ 5,372,475</u>	<u>\$ 6,943,414</u>

Tournament Revenue

Income and expenses associated with tournaments are recognized during the year in which the tournament is held. Income received and expenses incurred for future tournaments are deferred until the year that tournament takes place.

Donated Services and In-Kind Contributions

The trustees of ESF and the officers and directors of WGA have donated significant amounts of their time and related out-of-pocket expenses on behalf of ESF. The consolidated financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

Functional Allocation of Costs

The expenses of the Organization have been presented on a functional basis in the consolidated financial statements. Expenses, which are common in more than one functional area (program, fundraising, etc.), are allocated to each applicable area based upon estimates made by the Organization's management.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Classification of Net Assets

All financial transactions have been recorded in the net asset categories as follows:

Unrestricted Net Assets – Represents net assets that are not subject to donor-imposed restrictions. Unrestricted net assets consist of the following:

- *Operating Fund* – represents the accumulation of operating surpluses.
- *Property Fund* – represents the net investment in property, buildings, and equipment.
- *McGuigan Endowment Fund* – represents unrestricted contributions and investment earnings as well as unrestricted operating surpluses not otherwise included in the Operating and Property Funds.

Temporarily Restricted Net Assets – Represents net assets that are subject to donor-imposed restrictions that may or will be met, either by actions of the Organization and/or the passage of time.

Permanently Restricted Net Assets – Represents net assets subject to donor-imposed restrictions requiring them to be maintained permanently by the Organization. Investment losses due to market value declines are reported as decreases in unrestricted net assets. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for unrestricted general or specific purposes. Permanently restricted net assets consist of the following:

- *Gordon Kummer Memorial Chapter House Fund (Kummer Endowment Fund)* – Earnings generated by the Kummer Endowment Fund is used to finance certain chapter house expenses and to provide loans to chapter houses.
- *Endowed Named Scholarships* – Earnings generated by Endowed Named Scholarship funds are used to fund scholarships as directed by the donors.

Cash and Cash Equivalents

The Organization considers all liquid investments with a maturity of three months or less when purchased to be cash equivalents. Such instruments purchased with endowment funds are classified as “Investments” in the consolidated statements of financial position.

The Organization maintains its cash accounts primarily with banks located in Chicago, Illinois. Balances in all accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor per bank.

EVANS SCHOLARS FOUNDATION AND WESTERN GOLF ASSOCIATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts and Pledges Receivable

Accounts and pledges receivable primarily consist of Par Club contributions or special event proceeds collected by country clubs or associations on the Organization's behalf and not yet remitted to the Organization as of December 31, and unconditional promises to give from individuals for the Operating Fund, capital fundraising campaigns, and the McGuigan Endowment Fund. Unconditional promises to give are recognized as revenue or other support in the period that the promise is made. Conditional promises to give, which primarily consist of bequests, are not recorded until the related estate clears probate. Known bequests totaled approximately \$28,037,000 and \$25,644,000 at December 31, 2016 and 2015, respectively.

Charitable remainder trusts are contributions from which the Organization will receive a percentage of the remaining assets upon the death of the initial beneficiaries. A receivable has been recorded for the present value of the expected future cash flows using published life expectancy tables and a discount rate of 2.0% for both 2016 and 2015. The fair value of the receivable is updated annually and the change in value and amortization of the present value discounts are included in contribution revenue.

The carrying amount of unconditional promises to give is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected. The allowance for uncollectible amounts is based on management's assessment of the collectability of specific promises to give. If actual defaults are higher than the historical experience, management's estimates of the recoverability of amount due the Organization could be adversely affected.

Investments

The Organization carries investments in marketable securities with readily determinable fair values and investments in debt securities at the fair values in the consolidated statements of financial position. Realized and unrealized gains and losses are included in the change in net assets in the accompanying consolidated statements of activities.

Donated securities are recorded at market value on the date received, or at a nominal value determined by management when the market value is not readily determinable. Donated securities are sold as soon as practical after donation.

DECEMBER 31, 2016 AND 2015

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property, Buildings, and Equipment

Property, buildings, and equipment are presented in the consolidated statements of financial position at cost less accumulated depreciation. Equipment purchases in excess of \$25,000 per item are capitalized. Building and equipment are depreciated using the straight-line method over the estimated useful lives of the assets. The following estimated useful lives have been assigned to capitalized assets:

Automobiles	3 Years
Furniture, Fixtures, and Equipment	5 Years
Building and Leasehold Improvements	10 - 15 Years
Buildings	20 - 40 Years

Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell. Management has determined that there has been no significant impairment of long-lived assets.

Fair Value of Financial Instruments

The Organization's financial instruments are cash and cash equivalents, accounts and pledges receivable, charitable remainder trust, investments, funds held for deferred compensation, accounts payable and accrued expenses, deferred revenue, and deferred compensation. The recorded values of cash and cash equivalents, accounts receivable, accounts payable and accrued expenses and deferred revenue approximate fair value based on their short-term nature. The fair value of pledges receivable, which is based on discounted cash flows using a 5.0% rate approximates the carrying value at December 31, 2016 and 2015. The fair value of the charitable remainder trust is based on the present value of expected future cash flows using published life expectancy tables and a discount rate of 2.0% for both 2016 and 2015. The fair values of investments and funds held for deferred compensation are based on quoted market prices as of December 31, 2016 and 2015.

Advertising

The Organization incurs advertising expense in conjunction with hosting the annual BMW Championship. Advertising expenses incurred for each tournament are recognized during the year in which the tournament is held.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued amended guidance to clarify the principles for recognizing revenue from contracts with customers. The guidance requires an entity to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Additionally, qualitative and quantitative disclosures are required regarding customer contracts, significant judgments and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract. The guidance will initially be applied retrospectively using one of two methods. The standard will be effective for the Organization for annual periods beginning after December 15, 2018. Early adoption is permitted for annual reporting periods beginning after December 15, 2017, including interim reporting periods within that reporting period. Management is evaluating the impact of the amended revenue guidance on the Organization's financial statements.

In February 2016, the FASB issued amended guidance for the treatment of leases. The guidance requires lessees to recognize a right-of-use asset and a corresponding lease liability for all operating and finance leases with lease terms greater than one year. The guidance changes the accounting for sale and leaseback transactions to conform to the new revenue recognition standard. The guidance also requires both qualitative and quantitative disclosures regarding the nature of the Organization's leasing activities. The guidance will initially be applied using a modified retrospective approach. The amendments in the guidance are effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. Management is evaluating the impact of the amended lease guidance on the Organization's financial statements.

Subsequent Events

Management evaluated subsequent events through May 24, 2017, the date the consolidated financial statements were available to be issued. Events or transactions occurring after December 31, 2016, but prior to May 24, 2017, that provided additional evidence about conditions that existed at December 31, 2016, have been recognized in the consolidated financial statements for the year ended December 31, 2016. Events or transactions that provided evidence about conditions that did not exist at December 31, 2016, but arose before the consolidated financial statements were available to be issued have not been recognized in the consolidated financial statements for the year ended December 31, 2016.

NOTE 2 FAIR VALUE OF FINANCIAL INSTRUMENTS

In determining fair value, the Organization uses various valuation approaches within the fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability.

A hierarchy has been established for inputs used in measuring fair value that maximizes the use of observable inputs and minimizing the use of unobservable inputs by requiring that the most observable inputs be used when available. Levels within the hierarchy are based on the reliability of inputs as follows:

- *Level 1* – Valuations based on adjusted quoted prices for identical assets or liabilities in active markets;
- *Level 2* – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and
- *Level 3* – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models, and similar techniques not based on market, exchange, dealer, or broker-traded transactions.

Fair values of assets and liabilities measured on a recurring basis at December 31 are as follows:

	2016			
	Fair Value	Level 1	Level 2	Level 3
Investments:				
Fixed Income Bonds	\$ 13,206,354	\$ -	\$ 13,206,354	\$ -

Fair value for Level 1 investments is determined by reference to quoted market transactions. Fair value of Level 2 investments are determined by reference to quoted market transactions in a less active market for assets similar to those held to support the underlying assets. Fair value of Level 3 charitable remainder trust is determined by calculating the present value of the future payments to be received, using published life expectancy tables.

The following is a reconciliation of the beginning and ending balances of assets and liabilities measured at fair value on a recurring basis using significant unobservable inputs (Level 3 inputs) during the years ended December 31, 2016 and 2015:

Western Amateur Tournament	19,199	44,800
Total	\$ 4,312,644	\$ 4,796,863

NOTE 9 PERMANENTLY RESTRICTED ENDOWMENTS

The Organization's endowment consists of funds established to support the Organization's purpose to provide scholarships and other educational opportunities for caddies. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization's interpretation of the laws governing restrictions on net appreciation of donor-restricted endowments is based on UPMIFA. Consequently, net appreciation is temporarily restricted if investment income is temporarily restricted; permanently restricted if investment income is permanently restricted; and unrestricted if investment income is unrestricted.

NOTE 9 PERMANENTLY RESTRICTED ENDOWMENTS (CONTINUED)

Donor funds received for endowment are invested in a pool of investments managed by an independent investment management firm. See Note 3 for investments held as of December 31, 2016 and 2015. The Organization has adopted policies for endowment assets, which strive for both long-term growth and generate a reasonable current return for programs supported by its endowment. To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The minimum acceptable rate of return over a full market cycle (approximately ten years) is that which equals or exceeds the assumed spending rate plus the rate of inflation.

The changes in endowment net assets for the fiscal years ended December 31, 2016 and 2015 are as follows:

NOTE 11 BMW CHAMPIONSHIP

The BMW Championship is operated by staff and volunteers for the primary purpose of promoting the game of golf with all of the excess revenues over expenses distributed to the ESF. The BMW Championship is promoted and operated by the WGA as an authorized Professional Golf Association (PGA) Tour tournament event under an agreement with the PGA Tour and BMW Professional Golf of North America, LLC (BMW). The contract with the PGA Tour and BMW is to operate the tournament through 2019. The annual tournament will be held at various golf facilities throughout the term of the agreement.

Advertising expenses related to the BMW Championship for the years ended December 31, 2016 and 2015 totaled approximately \$438,000 and \$601,000, respectively.

NOTE 12 SCHOLARSHIP PROGRAM

The Organization annually grants over 260 renewable scholarships to eligible candidates. The scholarships are renewable on an annual basis for up to four years contingent upon the students maintaining certain academic standards. The Organization maintains an average enrollment in the scholarship program of approximately 935 students per year depending on continuing candidate eligibility and attrition rates. During 2016 and 2015, the Organization incurred approximately \$18,689,000 and \$16,495,000, respectively, for direct scholar expenses, of which approximately \$12,045,000 and \$10,928,000, respectively, related to tuition.

Estimated future direct scholar expenses to be incurred under this program over the next four years are as follows:

<u>Year Ending December 31,</u>	<u>Amount</u>
2017	\$ 20,450,000
2018	22,086,000
2019	23,486,000
