Now that you have studied and reviewed the caddie manual and caddie orientation video, use this exam to test your caddie knowledge. This exam is worth 100 points. A minimum score of 85 points (85 percent) and above is considered passing. You have 30 minutes to complete. Thank you.

The following statements are true or false. Read each statement carefully and circle the appropriate response. The True/False questions are worth 5 points each.

1. It is correct to pick up your player’s golf ball if you cannot identify the brand and number.  
   True  False

2. When the caddie manager assigns you a golfer, you may turn it down if you would like to caddie for someone else.  
   True  False

3. It is correct to demand from your player their golf club immediately after everyone has hit their tee shot.  
   True  False

4. In a greenside bunker, if your player fails to reach the putting green, stay with him/her and come back later to rake the sand or ask for another caddie’s assistance.  
   True  False

5. The caddie whose player is first to reach the putting green will be expected to handle the flagstick duties.  
   True  False

Listed below are sentences followed by statements. Circle the letter(s) in front of all the correct statements. (There can be more than one correct answer for each question). The following questions are worth 5 points each.

6. Which of the following practices will help you become a good caddie?  
   a. Make sure to hustle.  
   b. Have a good attitude.  
   c. Offer your player advice even when you are not asked.  
   d. If you do not know how to do something, do not ask your player because he/she may become angry.

7. Before you start your round of golf, you should:  
   a. Count, clean and arrange your player’s golf clubs.  
   b. Adjust the strap so the bag fits properly on your shoulder.  
   c. Remove the umbrella from the bag because it is added weight.  
   d. Take notice of the type of golf clubs and ball that your player is using.
8. Which of the following are the caddie's duties around the putting green?
   a. Cleaning your player's and other's golf balls.
   b. Tending the flagstick.
   c. Being ready to move so as not to be in anyone's “line of sight.”
   d. Returning the flagstick once all the players have finished putting.

9. Which of the following are your duties through the fairway?
   a. Calculate the distance from your player’s golf ball and the putting green.
   b. Take notice of where the flagstick is located on the putting green.
   c. Place the bag upright near your player’s golf ball so that club selection is made easier.
   d. Walk behind your golfer and follow him/her to the location of their ball.

10. Which of the following are required to be eligible to qualify for the Chick Evans Caddie Scholarship?
    a. Candidates must have caddied, successfully and regularly, for a minimum of two years and are also expected to caddie and/or work at their sponsoring club during the summer when they apply for the scholarship.
    b. Candidates must have completed their junior year of high school with above a B average in college preparatory courses and have taken the ACT and/or SAT.
    c. Candidates must clearly establish their need for financial assistance.
    d. Candidates must be outstanding in character, integrity and leadership.

Match the definition appearing in the right column with the best possible term appearing in the left column and place the corresponding capital letter in the space provided. The definitions are worth 2 points each.

11. ___ Birdie
    12. ___ Bogey
    13. ___ Bunker
    14. ___ Divot
    15. ___ Dog-leg
    16. ___ Draw/Hook
    17. ___ Eagle
    18. ___ Fade/Slice
    19. ___ Fore
    20. ___ Fringe
    21. ___ Gross
    22. ___ Net
    23. ___ Out Of Bounds
    24. ___ Provisional Ball
    25. ___ Line Of Putt
    26. ___ Par

A. A piece of sod or turf cut loose by a player’s club after making a stroke.
B. A warning shouted to let a person know that a ball in flight may hit him/her or come very close.
C. A shot, hit by a right-handed player, which curves slightly right.
D. The amount of strokes taken with handicap included.
E. A score one stroke under par for the hole.
F. Path in which the ball is intended to travel over the putting green to the hole. Do not step on this while on the green.
G. The amount of strokes taken without handicap.
H. Ground on which play is prohibited, usually outside the golf course’s property. It is usually marked with white stakes or boundary fences.
I. A shot, hit by a right-handed player, which curves slightly left.
J. The closely mowed collar around the putting green.
K. A score one stroke over par for the hole.
L. A score two strokes under par for the hole.
M. A hole which goes right or left and does not follow a straight line from tee to green.
N. The standard score for a hole, usually based on its length.
O. A ball played for the original ball that may be lost outside of a water hazard or may be out of bounds.
P. A depression where the turf or soil has been removed and replaced with sand. It is a hazard. Often improperly called a “sand trap.”
27. Label the following areas on this hole. Write the correct letter in the space provided that best describes the corresponding number. The labels are worth 2 points each.
